BPL · SANYO
WASHING MACHINES

BPL

It's incredible how often man borrows inspiration from nature. The stillness of the night, for instance. With only the sound of a gentle, whispering breeze to remind you that life rolls on. The special care with which BPL Sanyo designs and builds quiet, efficient washing machines is inspired by this sound of silence.

What makes millions of homes across the country decide BPL Sanyo is the most precious thing in their lives? The most advanced technology featuring micro-computer controls, a new silent pulsator with a wash action that is tough on dirt and gentle on your clothes. An incredibly strong rust-proof Polyfut tub, corrosion-resistant PCM outer body all above all vibration-free operation for longer life. All of which is meant to make the new BPL Sanyo Washing Machine your faithful companion for life. So what if BPL Sanyo doesn't make a big noise about itself. It's the sound of silence that counts.

Home, happiness and a washing machine called BPL Sanyo.

BPL SANYO.
